The DLE 150 automatically recognizes whether the compact or the universal end piece is used and adjusts the lengths according to the end piece used while measuring. In order to exclude possible errors, the measurement is always made from the rear end of the device.

### Laser Rangefinder DLE 150 - Bosch Power Tools

The DLE 150 Laser is a superb unit although by today's standards a little a large, albeit extremely accurate and simple to use. In the middle of the unit you will note a large red button which is on and off. To the right of this are two grey buttons, one with a lightbulb symbol and below this another button marked 'M/FT'.
