Great manual Typical of Apple they've thought of about everything. Well organized, written and illustrated, the handy Apple Watch guide is going to be my #1 resource to learn about the operation of my new watch. Apple MUST spend an equal amount of resources on writing their guides as the do developing their merchandise. Bravo! Well done.

Logic Pro X User Guide (2015) I really wish I could print out the manual. Since I've already PAID for Logic Pro X and the User Manual is FREE, it doesn't make any sense that I'm not allowed to print it in any way so that I can refer to it while the app is open on my MacBook Pro.
