Nintendo Switch To Get Two New Models This Year - Report ...

The new Switch V2's screen is slightly brighter and gives off more of a warm color than the original's screen. Earlier this year, we learned that Sharp is working with Nintendo to produce new Switch panels, I was curious to see if the screen on the new Switch included any of Sharp's technology. To start off, I placed my original console and the Switch V2 side by side and brought up and ...

How the new Nintendo Switch V2 compares to the original ...

Current systems that uphold industries like fashion rely on carbon-intensive practices and unethical labor standards to keep prices low. But the ideas in the Green New Deal could force that to change.

How the Green New Deal could reshape the fashion industry
