The rich get richer and
the poor get poorer" is
an aphorism due to
Percy Bysshe Shelley.
In A Defence of Poetry
(1821, not published
until 1840) Shelley
remarked that the
promoters of utility had
exemplified the saying,
"To him that hath,
more shall be given;

The Rich Are Getting Richer During The Pandemic

The United States is, by every reasonable measure, the most unequal of the world's rich countries. For four decades, the US has been suffering from a crisis of inequality.

After too many years of

October 12, 2020. “The rich get richer and the poor get poorer.”. The old cliché is still true — obscenely true. In six months, March to September — when the working class was clobbered by COVID, mass unemployment and a rise in white supremacy — the rich got richer. Specifically, the collective wealth of this country’s 643 ...

Before we dig into the theory that rich people get richer, I figured we first better take a step back and define what rich really means! Rich by Income. If you ask the media, the common designation for "rich" is the top 1% of income earners. In other words, those that earn \$720k or more each year.
