The silence can only serve to amplify the myriad of sounds created by students writing their exams, even if none of them utter a single word. If you are used to studying in a very silent environment, such as your bedroom, it can be very hard to focus on your exam when it's time to write the real thing.

More than anything, Pablo's Eye is a temporary atmosphere, like a taste or a dream... "Then there is the sound of silence. Usually, it would be true to say that there is no such thing as silence: no matter where you are, you will always hear the sound of your heartbeat & the blood rushing through your veins. I was a sound pioneer.
