Edward Tufte: Fine Art

"One visionary day. Few speak as eloquently as Edward Tufte, whose theories of information design not only illuminate, they inspire. In a full-day seminar, Tufte, author of the classic The Visual Display of Quantitative Information, uses maps, graphs, charts, and tables to communicate what prose alone cannot. For information designers Tufte's work is a model of clarity and craftsmanship.

Edward Tufte: Courses

Edward Tufte teaches the entire course. Each student receives all four ET books on information design: "One visionary day....the insights of this class lead to new levels of understanding both for creators and viewers of visual displays."
